Defense Health Agency (DHA)

Direct Care Financial Management (DCFM)

As DHA works to assume responsibility for the administration and management of all military treatment facilities (MTFs), JSPC assists the DCFM with the entire PPB&E lifecycle through the following services:

- Programming Support
- Budget & Execution Support
- Accounts Payable and Receivable Support
- Financial Policy Development
- Financial Application Database Management Services
- GFEBs & GRC Support

JSPC plays a vital role in ensuring DCFM can deliver a Ready Medical Force with end-to-end financial traceability.

Assistant Secretary of Defense for Health Affairs (ASD(HA)) Support

JSPC has supported ASD(HA) with the GFEBs deployment to the DHA, USUHS BUMED and AFMS by providing the following services:

- Program Management
- Organizational Change Management
- Pre-Deployment Planning Activities
- Business Process Mapping
- Lifecycle Deployment
- Data Cleansing & Data Migration
- Business Process Standardization
- Help Desk Operations

JSPC's deep institutional and industry knowledge of the Military medical health care community and hands-on expertise on GFEBs ensures that DHA receives the highest value solutions.

DIFFERENTIATORS

The JSPC team possesses expertise in a wide range of disciplines from the private, federal DoD, and Non-DoD sectors. Team members maintain 20+ years of experience in full global deployments, project management lifecycles, and operations and sustainment.

This unique skillset provides clients with insight into industry best practices and distinguishes JSPC as trusted advisors to C-suite level clients while supporting agency-wide objectives.
